

## Northeast Association Vermont Conference, United Church of Christ

Dear Friends,

As host for the 2010 Conference Annual Meeting of the Vermont UCC we welcome you to Lyndon State College. We hope our presence will make your time at the annual meeting more enjoyable. We are available in Red Vests to help you find your way around the campus and will be based in the lobby of the Alexander Twilight Theatre by the registration tables for the three days of Annual Meeting. Please don't be shy in asking for assistance. If we don't know the answer we will know whom to ask because we have several students at LSC to help us.

Thursday evening we are hosting the celebration in the Student Lounge area and hope you stop in for a snack before bedtime and to meet members of our Association.

Members of the Northeast Association are pleased to be the host association this year and are looking forward to wonderful worship, workshops, great fellowship, and a meaningful Conference Annual Meeting. See you there!

Peace and Blessings,  
The Northeast Association
