

What to expect at Regional Youth Event and at Boston University

BU is located in the heart of Boston, along Commonwealth Avenue. This location provides us with a wealth of possibilities. Everyone who is registered for Regional Youth Event will be housed together in a traditional dorm located just behind Nickerson Field.

We will use Marsh Chapel, Sherman Student Union, and the School of Theology as our primary locations throughout the event. Check out www.bu.edu for more information including an interactive map.

The campus has its own police force and is also monitored by the Boston Police Department. While we will be walking back and forth along Commonwealth Avenue we will always be in groups—youth and adults together. Safe church guidelines will be followed so that there will be at least two adults with every group of youth and no youth will be allowed to walk between buildings unsupervised.
