

**Looking Toward
Registration
2010/2011**

Because VAST allows for open enrollment, there will be 2 third year classes and 1 first year class offered beginning September 2010.

In the past there has sometimes been a fourth setting and if there are sufficient students another first year class could also be offered.

As students enroll for 2010/2011, decisions about sites to host the classes will be based on the geographical distribution of the students.

If your church has at least 10 members interested in the Vermont Academy of Spiritual Training, VAST would be willing to bring the teachers to you. Contact Rev. Pamela Lucas for more information.

It Makes a Difference

For over 25 years VAST graduates have increased their spirituality, broadened their theology, deepened their biblical understandings, enriched the life of their local congregation and have often gone on to become teachers to others.

Listen to what people have to say:

I have learned so much about Christianity, the Bible and religion in general. But even more, I have learned about "me" and the many ways God can use me in God's world.

I have increased my knowledge of scripture and have come to a deeper understanding of God's word – and hopefully have become a more devoted disciple of Jesus Christ.

VAST has been the arena where my prayers have been answered. "Speak, Lord, for your servant is listening."

I have gained a closer connection to God through Jesus Christ - and have learned so much from my classmates about the beliefs and practices of people of faith.

I believe that VAST has brought me to the "next level".

VAST has answered many of my questions – and left me with even more questions!

A friend had completed the VAST training and urged others to give it a try. I am glad I did. It has made all the difference in my spiritual journey.

The Vermont Academy of Spiritual Training

**Vermont Conference
United Church
Of Christ**

VAST is designed for laypersons who wish to develop a greater understanding of the Christian Faith.

VAST is open to all denominations.

VAST presently offers courses in three locations:

Richmond—Richmond Congregational Church, UCC

Manchester—First Congregational, UCC

St. Johnsbury—North Congregational, UCC

Courses of Study

The Vermont Academy of Spiritual Training has grown out of a need expressed by the laity for an in-depth study of the Bible, basic theological concepts and the nature of one's individual calling and spiritual journey. The courses are not designed to equip a person for ordination but to enrich laity in the struggle with their own spiritual identity and calling to Christian ministry. VAST is also designed to assist those called to Licensed Ministry and Certification as Church Educators in the UCC.

The program is three years in length. Classes meet from 9:00 a.m. to 4:00 p.m. on a Saturday in each month for the months of September through June. In 2010/2011 classes will be held in:

Richmond - 2nd Sat – 1st year
Manchester - 2nd Sat – 3rd year
St. Johnsbury - 4th Sat – 3rd year

VAST allows for open enrollment, i.e. a student may enter at the beginning of years 1, 2 or 3.
