INTERFAITH DIALOGUE

Bridges to Understanding

Come to Ohavi Zedek Synagogue in Burlington for an interfaith talk. At this meeting we will again consider the topic of social justice. At our last meeting in June we began this dialogue. Because it is a huge topic we thought it important to continue the discussion over two meetings. We hope that by discussing these important ideas we may help to build bridges to a greater understanding of each other's faith traditions.

Bring a question - Ask anything you have always wanted to know about the different faiths. Come prepared to talk about your faith tradition and bring any question you might have for people from Islam, Judaism, and Christianity. This will be an opportunity for everyone to learn more about our similarities and our differences.

No question is too small! Or too big!!
