Dear Beloved Community in the Vermont Conference,

There were many moments of last week’s inauguration of President Joe Biden and Vice President Kamala Harris that I found inspiring. One thing was seeing the very visible diversity in participants. They were young and old, black, brown and white, religiously diverse. For me it was watching the best of what we as Christians proclaim on display. Nothing touched me more than the young Poet Laureate, Amanda Gorman.

I have chewed on her poem many times since I heard her recite it. There is beauty, courage, hope, challenge, a desire for unity and a celebration of the diverse richness of one another.

The words from Matthew 5:14-16a came to mind:

You are the light of the world.
A city set on a hill cannot be hid.
No one after lighting a lamp
puts it under a bushel basket
But on a lamp stand, and it
gives light to the whole house.

In the same way, let you light shine…

In the words of Amanda Gorman:
When day comes we step out of the shade,
aflame and unafraid
The new dawn blooms as we free it
For there is always light,
if only we’re brave enough to see it
If only we’re brave enough to be it

Let it shine!
In hope and peace,  
Lynn

**Does your Church have a Website, Facebook, YouTube Channel or Email Blast?**

If so, you will want to become more knowledgeable about the Consolidated Appropriations Act which just became a Public Law on December 27, 2020. It
applies to copyright infringement not only for photos, but videos and music used in any production without permission of the creator.

You can find the Bill in its entirety here. You can find an abridged, user friendly version here.

In Addition....

The same Consolidated Appropriations Act provides $900 billion dollars in stimulus allows churches that have already received PPP loans the ability to apply for a second loan. If you would like to know more, you can read the article published by Christianity Today by Ted Bateson (an attorney and CPA who specializes in Church Law & Tax).

You can find that article here!

Time to Update Your Church Membership Records!

This week is a reminder to update your church membership lists. UCC Yearbook reporting is scheduled to open January 8, 2021, and it is important that your church report current and accurate membership information. For churches that are affiliated with more than one denomination, the membership number should only reflect members who identify themselves as UCC.

The membership number is used to determine the amount of dues that your church gives to your association and the Vermont Conference.

The numbers you report also help determine how many delegates the Vermont Conference can designate for General Synod, which is one of the essential ways your voice is heard on important issues.

***UPDATE 01/14/2021***

The Data Hub was opened on January 6th for church use as was scheduled. They have run into a few issues on their end that we are working to resolve. Please use this redirect or find further instruction here.

Create a great offer by adding words like "free" "personalized" "complimentary" or "customized." A sense of urgency often helps readers take an action, so think about inserting phrases like "for a limited time only" or "only 7 remaining!"
